Given knowledge

Make teaching a two way interaction

Msp colleague manora

To give some opportunities in a sport .....I am a good cricketer

enhance the learning experience. This can be achieved in various ways such as using multimedia resources such as videos, audios and interactive tools to make teaching more

engaging and interactive.

Best

1 :-Practical equipment should be good.

2 :-Each unit should be followed by a unit test.

3 :-There should be more use of examples within the unit.

Does not teach well Computer science subject also computer practical

1. Implementing interactive teaching methods, such as group discussions, case studies, and hands-on activities, can enhance student engagement and foster a more dynamic learning environment.

2. Embracing technology effectively, by incorporating educational tools, online resources, and virtual platforms, can provide students with diverse learning opportunities and better prepare them for a technology-driven world.

3. Encouraging regular feedback from both students and instructors can help identify areas for improvement, ensuring that the teaching methods align with the students' needs and promoting a continuous cycle of enhancement in the learning experience.

To keep mobile silent when lecture starts

4. Appreciating the different learning styles of your students.

Teacher staff teaching very nice , and my friend circle are also fabulous

Very nice study

Very deep Study

Good career

Deep teaching

Teacher staff teaching are awesome and all campus environment are also fabulous

No necessity to change learning pattern .

Teaching well very excellent

No improvement

My suggestion to teacher give practical insights while teaching their subjects.

Try to reach every student and ask for their doubts

Use Technology in The Classroom.

1.Practical paper

2.oral test MCQ

3.daut class

Excellent

Used better graphics and visual media to engage students well 2try to reach every student and ask for thir doubts 3make teaching a two way interaction

The laibreal should be noiseless.The Computer lab should be more modified.The laibreal should be modified?

I suggest if teachers teach with his special interest , then shows the significant effect on students.

Very good experience
