Health Check up Camp

M.S.P.Arts, Science &K.P.T Commerce College Manora

Department of Zoology with the collaboration of Government Hospital Manora organized a health check up camp on 5th Feb. 2018 at college in Laboratory of Zoology. The camp was started in the gracious presence of **Dr. N.S. Thakre**, principal of the institution under the overall supervision of **Dr. Seema Keswani**, Assistant Prof. & Head Department of Zoology. The camp was facilitated for all the students (B.Sc. B.A, B.Com.) along with faculty members.

Dr. N.S. Thakre, Dr. Seema Keswani along with members of Govt. hospital Manora

AIMS AND OBJECTIVES: The aim of health check up is to help, find, prevent or lessen the effect of disease. Health Checkups can help a person understand their health's need, values and concerns, and help identify some potential health risk factors where they can make healthy improvement. The main aim and objectives of this program was to bring awareness of health consciousness among the students and communities.

At local levels the department took an initiative to bring the health awareness in students. Through this program a very positive message gone to society. Students were acquired the practical knowledge of the pathological skills etc.

Blood Checkup of students and faculty members in zoology laboratory

OUTCOMES: The students were acquired the knowledge pathological skills to detects the various diseases related to blood like Anemia (scarcity of haemoglobin) , Thalassaemia, and Sickle cell anemia etc. Reports indicated that the levels of haemoglobins are very low in students especially in the female students. Through these students the department of zoology enabled to aware the communities regarding the health and their nutritional requirements in daily diet profile etc.
