

Action Taken Report 2023-24

The Feedback Analysis Committee of the college designs and collects feedback from its stakeholders to monitor and evaluate its performance quality on curriculum and curriculum related issues.

The feedback forms were collected from students, teachers, employers, alumni. The feedback targets following different content for different stakeholders.

For students, it addressed curriculum and its learning related issues in terms of quality, competence, skills. This feedback also considers other issues like delivery of curriculum by teachers. For teachers, the feedback addressed issues like suitability the course and its need base, outcomes of the curriculum, relationship with course content and corresponding reference material, availability of reference materials in terms with curriculum, evaluation methods and curriculum delivery, etc. For employers, it addressed issues like general communication skills, developing solutions to real life problems, working, and learning of new techniques through the curriculum. For alumni, it aimed for responses on adequateness of courses curriculum, sufficiency of syllabus content in context of current curriculum design in context of development.

Following is the action taken on all the feedbacks taken from various stakeholders.
