Feedback Analysis Report

Session: 2024–2025

1. Student Feedback Summary

- Response rate from Arts faculty was notably low; action was taken to improve participation.
- Students expressed satisfaction with teaching quality and curriculum relevance.

2. Teacher Feedback Summary

Teachers expressed the following key feedback points:

- 42.38% appreciated inclusion of laboratory work.
- 36.8% rated real-life application of courses as “Very Good”.
- Only 4.8% felt job-oriented content was low; majority found it adequate.
- 5.3% noted that the syllabus load required rationalization.
- 38.2% reported Environment Science curriculum applicability needs enhancement.

All feedback was communicated to the Parent University for revision and improvement.

3. Alumni Feedback Summary

- 38% alumni rated alignment between competencies and curriculum as excellent.
- Alumni recommended strengthening practical relevance and curriculum alignment with current standards.
- Feedback was shared with respective departments and Alumni Association.

4. Employer Feedback Summary

- As Manora is a rural area with no major industries, employer feedback was collected from local business owners.
- Employers highlighted that graduates are capable but encouraged more exposure to applied skills.

Conclusion

The CDC unanimously approved the Action Taken Report. The feedback emphasized improving response rates, strengthening practical and real-life applications, and ensuring syllabus remains proportionate and skill-oriented.
