# Collaboration

Between

Department of Physics,

**M.S. P ARTS, SCIENCE AND K.P.T COMMERCE COLLEGE MANORA,  
DIST. WASHIM**

AND

**M.S.E.D.C.L. Sub Division, Manora, Dist. Washim**

### Nature of Extension:

This collaboration is based on linkage of extension activity [Awareness about Renewable source (Solar) and LED] of department of Physics and M.S.E.D.C.L. Sub Division, Manora for the betterment of villagers. They dont have complete knowledge about saving of electricity and required instruments and devices. So the extension activity of Physics department will be helpfull to aware about solar panel and LED sauces.

### Social Objectives:

- Because of this extension activity villagers will be able to save the electricity and they will be benefitted. It is a unique effort of its own.
- The Extension activity will take place six monthly.
- This extension activity may be results into effective sharing of knowledge, practices and technologies in support of the implementation and Conservation of nature.
- This activity will be best platform to student to represent their ideas with their joiner students and get motivation "SAVE ENERGY" and use natural sources.
- This collaboration has full scope to organize seminar/conference/workshop/guest/expert lectures for guidance and firsthand knowledge to the students.
- This collaboration has opportunity for the faculty and students to accommodate research, experimental learning & skill based training.

### Tenure of Collaboration

This collaboration shall be in effect for three years from the date of implementation and automatically extended after each expiration for the same duration unless written intent of termination by either party is presented six months prior to the date of expiration.
