Report on Financial Literacy & Securities & Exchange Board of India

Introduction:

Now a day's saving is become more and more difficult due to buying behavior of peoples. Everything is sold at shopping mall. Once customer entered in the mall he or she loses his temper of essential purchasing and having useless products in his shopping bouquet. This kind of behavior of consumer utilizes saving power.

To boosts saving habit and to make students aware of power of compounding our college takes initiative to organize the workshop for Financial Literacy & Securities & Exchange Board of India. Through this workshop student aware about to saving habits, investments, Mutual Funds, Insurance etc. College invites the financial personnel & expert.

Objectives:

1. To make aware the students about saving habits.
2. To generate financial awareness among society.
3. To make aware society about financial literacy through students.
