A brief Report on

**University Level One Day Workshop**  
**On**  
**“Energy Conservation and Utilization of Home Appliances”**

**31<sup>th</sup> January – 2019**

**Introduction:**

Department of Physics started to awareness about electric energy saving to villegers with some students with our Extension Activity. The main objective to took workshop and presentations to allow all participants to enter into practical discussion and learn to design electronic circuits. There were inputs from Resource person, who provided insights into the aspects responsible for developing and enhancing quality in education. The workshop was a key activity for the college that aims to empower learning, develops skills and support opportunities for all within the society. Feedback from the workshop was very positive, participants saw great value in working with updated innovative scholars from various colleges, the opportunity to network and to learn from one another and the chance to explore ideas. This report provides background of the workshop, information, objectives, a summary of the presentations and discussions for the next step.

**Background:**

The **Energy Conservation and Utilization of Home Appliances** workshop was convened to bring together SGBA University Amravati Physics Teachers & experts from the academic institutions & students to address important issues which are responsible for proper use of appliances in our home. In the beginning of the academic session, Department of Physics decided to will taking workshop on Energy Conservation and Utilization of Home Appliances and it was included in academic calendar of the institution. The convener of the Workshop Principal Dr. N. S. Thakare & Organizing secretary & head Department of Physics Dr. K. A. Koparkar took initiative to undertake this workshop. The initiative represents collective venture of the Workshop committee, teaching and non teaching staff and students.

### **Objective:**

The main objective of the workshop was to develop awareness and importance of Energy conservation. Also students are focused on the role of higher education of electronic institutions.

### **A Summary of the Presentations**

The one day University level workshop held in the college on 31<sup>th</sup> January 2019 was hosted by Department of Physics of M.S.P Arts, Science & K.P.T Commerce College Manora Washim self financed and sponsored. The workshop ran over whole day and consisted of one technical sessions out of opening and closing sessions. The event being mostly brainstorming, each technical session had just one presentation and then a discussion about the topic.

### **Inaugural Programme:**

Department of Physics organized the University Level One Day Workshop. Principal, Dr. N. S. Thakare & head, Department of Physics Dr. K. A. Koparkar gave invitation to the students participant from different colleges of Amravati University for this Workshop. **Mr. U. V. Wagh, (Deputy Executive Engineer) MSEDCL Manora, Dist: Washim** was resource person, he gave knowledgeable speech in the field of Energy saving. Dr. K.A. Koparkar Organizing Secretary & Head Department of Physics gave the information of Schedule of Workshop, introductory speech of the programme and introduction of resource person. Principal, Dr. N. S. Thakare Convener of the Workshop gave the presidential speech and Mr. Subhodh Chavhan end the inaugural program by vote of thanks.

**Poojan and Garland the image of Mahatma Gandhi by the Guest Mr. U.V. Wagh & Dr. N. S. Thakare.**

**Dignitaries present on Inaugural Function, in the left hand side Dr. N. S. Thakare (President), in the middle Mr. U. V. Wagh, at right hand side Dr. M.N. Iqbal (HOD Botany), on mike Coordinator Dr. K.A. Koparkar.**

**Mr. U.V. Wagh delivered key note speech.**

**Dr. N. S. Thakare Principal & convener, delivered Presidential speech**

### **Technical Session I:**

This session was chaired by Niwantee Raut & Resource person Mr. U. V. Wagh (**Deputy Executive Engineer**) MSEDCL Manora, Dist: Washim presented a nice information with examples.

**Mr. U. V. Wagh delivering the lecture in I -Technical session**

**Subhodh Chavhan proposed a vote of thanks for entire workshop.**

The workshop was attended by **77** participants including research scholars, teachers and large number of students. Participants expressed happiness about the educative sessions and fine arrangements of the workshop. Feedback forms were collected from participants of the

workshop. Participation certificates were issued to all the speakers and delegates of the workshop and the workshop came to conclusion at 3.00 PM.

Subhodh Chavhan execute the valedictory program of the workshop and Vote of thanks. Swati Gawande CHB teacher of physics department exhibit the review of the participants. There were **77** participants including the parent college in this workshop. In the end of this Workshop Dr. N. S. Thakare, convener & Chairperson declared the Workshop grand successfully organized by the Department of Physics and congratulate to all the participants budding Scientists & purposed vote of thank to the Guest and participants on behalf of college & declared workshop over.

### About College.

01. Workshop arranged by college was more knowledgeable.
02. There is various circuit calculations information gain from this workshop.
03. All facilities provided by college are good and satisfactory.
04. All facilities are provided was good.
05. There are various facilities are available in college, this workshop is good for every one for increasing knowledge.
06. Graceful.
07. Good & nice college in the region.
08. Graceful and good.

- 09. Excellent location and moderate facilities provided good workshop theme.**
- 10. College organized a very useful workshop for society.**
- 11. Nice arrangement of workshop.**
- 12. Excellent and nice arrangement of the workshop.**
- 13. College having very good facilities & well equipped workshop hall.**
