MESSAGE

It gives me a great pleasure that IQAC of M.S.P Arts, Science and K.P.T Commerce College, Manora is organizing a One day State Level Seminar on "The Role of ICT in Quality Education", on 20th April 2017, which is the relevant topic to improve the Quality of Education in Higher Education.

Information and Communication Technologies (ICT) have become common place entities in all aspects of life. The world is moving rapidly into digital media and information, the role of ICT in Education is becoming more and more important and this importance will continue to grow and develop in 21st century. Technology has the capacity to promote and encourage the transformation of education.

The effort in holding this seminar is really commendable to motivate the institutes to improve and sustain the quality of education.

I wish the event all success and congratulate the organizers for this initiative.

(Murlidhar Chandekar)

Dr.N.S.Thakare,
Principal,
M.S.P.Arts, Science & K.P.T.Commerce
College, Manora, Dist. Washim.
