One Day College Level Workshop on Importance of English in Modern Era

Objectives

- To lessen the fear of English language
- To highlight the importance learning English language
- To make rural area students comfortable with English learning

Introduction

Indian Higher education is making transition in skill driven phenomenon. Students learning in higher education institution should be exposed to the emerging trends. Students learning in the rural areas lack confidence to speak English. These students lack confidence to write good article in English. These students lack confidence to do presentation in English. Department of English takes keen interest in eliminating their fear of learning English language. This workshop is also a part of such process. Eminent scholars are called to deliver guest lectures. Workshops are organized for boosting the confidence of the students. Students learning English subject should know the importance of this subject. They should be aware of the career opportunities in the subject. This workshop was a part of highlighting the importance of English language in modern era.
