Information of Activity:

The department of Chemistry of M.S.P. Arts, Science and K.P.T. Commerce College, Manora had organized Workshop on the topic "Polarization & Hybridization" for the students of class B.Sc. Part I semester II on 19th January 2024.

The president for the program was respected **Dr. N. S. Thakare, Principal,** M.S.P. Arts, Science & K.P.T. Commerce College Manora. The resource person for the program was **Mr. Satish V. Jadhav**, Assistant Professor & Head, Department of Chemistry, Indira Gandhi Kala Mahavidyala Ralegaon. The program was started by welcoming the guest by **Dr. Sopan D. Ingole**. Afterwards, **Mr. Chandrakant**

Dhanwad had introduced guest speaker with students. In next session, guest speaker had delivered a nice lecture on the topic "**Polarization & Hybridization**" which covered all the aspects of the points related to Polarization like Polarizing power, Polarizability, Fajan's Rule etc. During the Guest Lecture, students also gave good positive response to the speaker by interacting with guest speaker. At last students ask the questions which were answered by the guest speaker.

Total **65** students had participated in the online program. At the last half of the program, **Dr. Swapnil D. Bhagat** had given the vote of thanks.
